CH03300536-02_Ring Control Quick Start Guide

Getting to Know Ring Control

TS Button—Pressing down on the touch area produces a crisp clicking sound

Digital indicator 1, 2, 3

Charging indicator

Touch area—perform various swipes, taps, and gesture operations

Charging indicator:

Charging – the red light is on
Fully charged – red light off
Low battery display: when less than 10%, the red light flashes 1 time every 5 seconds.
When it is less than 20%, the red light flashes twice every 10 seconds.

Detachable Ring silicone part
(includes 4 sizes)

Digital indicator:

1, 2, and 3 correspond to the three paired Bluetooth devices. For example, if '2' is lit, it indicates that the current operating device is device '2'.

Power On and Power Off

- Power On:** Short press the TS button once to turn on.
- Power Off:** Pressing the TS button 5 times consecutively.
- Automatic Shutdown:** the device will shut down after 60 seconds of inactivity.

Bluetooth Pairing and Clearing

Turn on Bluetooth on your phone, search for 'Ring Control', click connect, a pairing prompt will pop up, click OK, and the Bluetooth pairing will be successful.

After the first pairing is successful, the default operation mode of the device is **Entertainment** mode.

To clear the current pairing - press and hold the TS button for 5 seconds.

To clear all pairings - press and hold the TS button for more than 10 seconds.

Operating Mode Description

Entertainment Mode—Control your phone to view Tiktok, Reels, Facebook, Youtube shorts.

Sport Mode—Control your phone to play music and take photos.

Mouse Mode—Browse files or web pages, or use the mouse scroll wheel function.

Tips: After installing the app on the phone, the operation mode can be disabled or enabled through the APP.

Mode Switching

Double click TS button—Switch between Entertainment mode / Sport mode / Mouse mode.

Single click TS button—In mouser mode, Switch between mouse wheel and mouse functions.

Bluetooth device switching

Triple press TS button—switch between bluetooth device 1, 2, 3

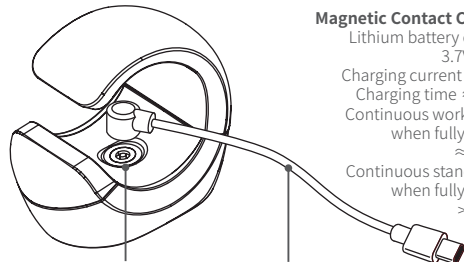

GENERAL FUNCTION

HOME -Press and hold the TS button for 1 second, release after vibrating, Return to HOME. (Not available under mouse function)

BACK - Press and hold the TS button for 3 seconds to perform the Back function. (Not available under mouse function, not available on iOS)

Charging

Tips: Please charge for at least 20 minutes or use after fully charging before the first use. When the battery level is below 20% during use, please charge it promptly to ensure the ring functions properly. (You can check the battery level through the app, or if the device does not vibrate when pressing the TS key, it indicates that the battery level is below 20%.)
If your Ring device is left idle for a long time, to maintain battery health, please fully charge it at least once every 8 months.

Magnetic Contact Charging

Lithium battery capacity:
3.7V/17mAh

Charging current \leq 25mA

Charging time \approx 1 hour

Continuous working time
when fully charged
 \approx 7 hours

Continuous standby time
when fully charged
 $>$ 1 month

Magnetic contact
charging port

Magnetic
charging cable
(Included)

Connect to the
charger USB
Type-C port

APP download

认识 Ring Control

TS 按键—向下按压触控区域直到听到嘀嗒声

数字指示灯
1, 2, 3

充电指示灯

触控区—执行各种滑动, 轻击, 手势操作

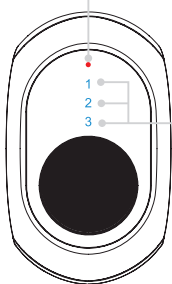

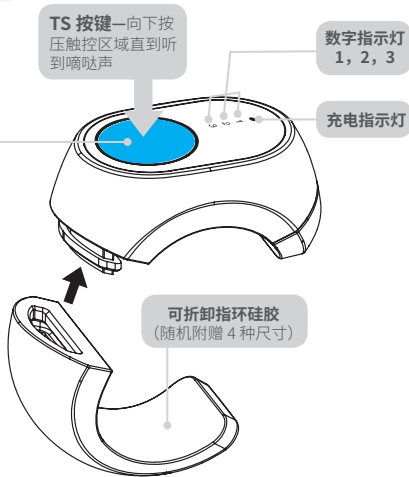

充电指示灯:

充电中——红灯亮
充满电——红灯灭
低电量显示:
小于 20% 时, 每 10 秒闪两次红灯
小于 10% 时, 每 5 秒闪 1 次红灯

可拆卸指环硅胶
(随机附赠 4 种尺寸)

数字指示灯:

1, 2, 3 分别对应配对的三个蓝牙设备
如“2”亮代表当前操作设备为设备“2”

关机和开机

1. **开机**: 短按 TS 按键 1 次将开机。
2. **关机**: 连续点击 TS 按键 5 次。
3. **自动关机**: 60 秒无操作后关机。

蓝牙配对与清除

手机打开蓝牙设置, 搜索“Ring Control”, 点**连接**, 弹出配对提示, 点**配对**即可, 蓝牙配对成功后, Ring 上的当前模式的蓝色灯会熄灭, 马达振动一下。

首次配对成功后, 设备默认操作模式为娱乐模式。

清除当前配对——长按 TS 键 5 秒后。
清除所有配对——长按 TS 键 10 秒以上。

操作模式说明

娱乐模式——控制手机浏览抖音, 小红书、Bilibili、快手等
运动模式——控制手机音乐播放器, 相机拍摄
鼠标模式——浏览文件或网页, 或使用鼠标滚轮功能

 **提示**: 手机安装 APP 后, 操作模式可通过 APP 禁用或者开启

模式切换

双击 TS 按键——切换娱乐模式 / 运动模式 / 鼠标模式

单击 TS 按键——鼠标模式下单击 TS 按键一次在鼠标功能和鼠标滚轮间切换

蓝牙设备切换

三击 TS 按键——切换蓝牙设备 1, 2, 3

通用控制

HOME——长按 TS 按键 1 秒, 震动后松开, 返回 HOME。

适用模式: 娱乐模式 / 运动模式 / 鼠标滚轮 (鼠标功能下不可用)

BACK——长按 TS 键 3 秒, 执行 Back 功能。(震动时勿松手)

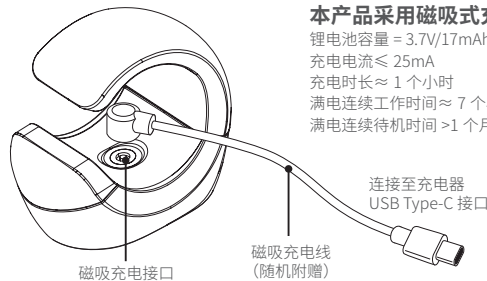

适用模式: 娱乐模式 / 运动模式 / 鼠标滚轮 (鼠标功能下不可用, iOS 不可用)

充电

提示: 首次使用前, 请至少充电 20 分钟或者充满电后使用。
使用过程中当电量低于 20% 时, 请及时充电以保证指环正常工作。
(可通过 APP 查看电量或当按 TS 键机身不振动, 即可判断电量已低于 20%)
若您的 Ring 设备长时间闲置, 为维持电池健康, 请至少每 8 个月为其完全充电一次。

本产品采用磁吸式充电

锂电池容量 = 3.7V/17mAh
充电电流 ≤ 25mA
充电时长 ≈ 1 个小时
满电连续工作时间 ≈ 7 个小时
满电连续待机时间 > 1 个月

APP 下载

iOS 请在 Apple 应用商店搜索 **Ctrl4U** 下载。

Android 请在 Google Play 中搜索 **Ctrl4U** 下载, 或者扫描右侧二维码进入网站下载安装。

APP 可在线升级 **Firmware**。
